

KLISC E-RESOURCES – 2018

	RESOURCES	SUBJECT COVERAGE	URL LINK
	Journals, databases and mixed packages		
1	<p>American Institute of Physics (including Acoustical Society of America)</p> 	<p>AIP Citation offers online access to a robust collection of close to 1 million articles from leading Physical Sciences publications including journals, conference proceedings, standards, and magazines published by AIP Publishing and AIPP's publishing partners.</p>	<p>https://www.aip.org/</p>
2	<p>American Physical Society</p> 	<p>American Physical Society Access to the Physical Review Online Archives (PROLA) and journals produced by the American Physical Society.</p>	<p>https://www.aps.org/</p>
3	<p>British Institute of Radiology</p> 	<p>The BIR promote and encourage the study and practice of the art and science of radiology radiobiology and the medical applications of nuclear science in all their aspects and the study of kindred sciences. It has access to online journals and resources on radiologists, medical physicists, oncologist, radiographers and radiobiologists.</p>	<p>https://www.bir.org.uk/</p>
4	<p>Canadian Science Publishing (publisher of the NRC Research Press journals)</p> 	<p>CSP currently owns and publishes 24 diverse international journals with distribution in more than 175 countries, and provides publishing services to an additional 15 titles. Cover fields across the spectrum of science and engineering, with a focus on fundamental and applied</p>	<p>http://www.nrcresearchpress.com</p>

		sciences	
5	Cochrane Library 	The Cochrane Library is a collection of six databases that contain different types of high-quality, independent evidence to inform healthcare decision-making, and a seventh database (The Cochrane Collaboration) that provides information about Cochrane groups.	http://www.cochranelibrary.com/
6	EBSCO Host Research Databases 	The databases provide access to just over 16,500 abstracted and indexed journals from all branches of science, technology, medicine, social sciences and humanities.	http://search.epnet.com/
7	EBSCO Religion and Theology Collection	Religion and theology	http://search.epnet.com/
8	Edinburgh University Press 	Publish books and journals across a range of subject areas in the humanities and social sciences.	https://www.eupublishing.com/
9	Emerald ejournals 	Management and library & information services journals. The service also provides access to leading titles in marketing, business disciplines, engineering and materials science.	http://www.emeraldinsight.com/
10	Geological Society 	Covers the geosciences e-resources. It shares the courtyard with the Royal Academy of Arts , the Royal Astronomical Society , the Society of Antiquaries of London , the Royal Society of Chemistry and the Linnean Society of London .	https://www.geolsoc.org.uk/
11	International Monetary Fund (IMF)	Access to information and perspective	http://www.imf.org/external/index.h

		on macroeconomics, globalization, development, trade and aid, technical assistance, demographics, emerging markets, policy advice, poverty reduction, and so much more.	tm
12	JSTOR  JSTOR	Covers Economics, History, Political science, Archeology, African Studies, Music, Art & Art History, Business, Ecology & Botany, Language & Literature, Mathematics & Statistics	https://www.jstor.org/
13	Liverpool University Press 	Covers history, modern languages, literature, arts and art history, history, Jewish Studies, Poetry	https://liverpooluniversitypress.co.uk/
14	Mary Ann Liebert 	Biomedical Research, Life Sciences, Complementary, Engineering, Informatics, Law, Economics, Medicine, Surgery, and Nursing	https://www.liebertpub.com/
15	Nature ALL Plus (Package 78 titles) 	Publishes journals and online databases across the Life, Physical and Applied Sciences and Clinical medicine	https://www.nature.com
16	Optical Society of America (OSA) 	Covers optics, biomedical, spectroscopy, photonics	https://www.osa.org/en-us/
17	Policy Press 	Publishes over 120 peer reviewed books each year and 7 journals in a wide range of print and digital editions for researchers, students, professionals, practitioners, politicians, policy makers and the informed general reader as well as for libraries and other institutions globally.	https://policypress.co.uk/
18	Royal Society	Subject strength: biochemistry,	https://royalsociety.org/

		immunology, bioinformatics, ecology, microbiology and many more	
19	Royal Society of Chemistry - RSC Journals Archive 	Biology, Biophysics, Chemical Science, Materials, Medicinal Drug Discovery and Physics high-impact journals and books	http://pubs.rsc.org/
20	Sage Journals 	Subject Strengths: Humanities, Social Sciences, Scientific, Technical and Medical	http://journals.sagepub.com/
21	Society for Industrial and Applied Mathematics 	SIAM exists to ensure the strongest interactions between mathematics and other scientific and technological communities through membership activities, publication of journals and books, and conferences.	http://www.siam.org/
22	Taylor & Francis Journals 	Information Science, Interdisciplinary Studies, Language & Literature, Law, Mathematics & Statistics, Medicine, Dentistry, Nursing & Allied Health, Museum, Heritage Studies & Visual Arts, Physical Sciences, Reference & Information Science, Social Sciences, Social Work, Sports, Leisure, Travel & Tourism and Urban Studies	https://www.tandfonline.com/
23	University of California 	Subject strength: research, health, art & humanities	https://www.ucpress.edu/journals
24	University of Chicago Press	The journals present original research from international scholars in the Social Sciences, Humanities, Education, Biological and Medical Sciences, and	https://www.journals.uchicago.edu/

		Physical Sciences.	
25	Wiley Online Library Full collection (1,360 titles) Wiley Online Library	Business, Chemistry, Computer Science, Earth and Environmental Science, Education Engineering, Law Life Sciences, Mathematics and Statistics, Medicine and Healthcare, Physics and Astronomy, Polymers and Materials Science, Psychology, Social Sciences	https://onlinelibrary.wiley.com/
E-Book Packages			
26	Project MUSE books 	Subject strength: area & ethics studies, art & pacific studies, art & architecture, creative writing, education, film theater & performance arts, history, language & linguistics, library science & publishing, literature, medicine & health, music, philosophy, religion, science technology & mathematics, social sciences, studies by time period and women's studies gender & sexuality.	https://muse.jhu.edu/about/UPCC.html
	2013 Complete Collection (2920 titles)		
	2014 Complete Collection (2863 titles)		
27	Taylor & Francis eBooks 	Offers instant access to the world's premier Humanities, Social Sciences, Behavioural Sciences, Built Environment, STM and Law content.	https://www.taylorfrancis.com/
	Taylor & Francis eBestseller Package (1,200 titles) (annual subscription)		
	Audio Visual materials 	Covers print, manuscripts and archival, graphic & ephemera, and digital collections.	https://library.sdsu.edu/scua/exhibits-events/library/primary_sources/aud

			io-visual
	Henry Stewart Talks Ltd 	Subject Strength: Biomedicine, Life Sciences, Marketing and Management collection	https://hstalks.com/
28	HST - Libraries in a Digital Age 	Subject strength: digital libraries	http://library.nul.ls/index.php#gsc.tab=0
29	HST - The Biomedical and Life Sciences Collection (TBLSC) 	Subject Strength: agriculture & environment, biochemistry, cancer, cell biology, clinical medicine, disease disorders & treatment, methods, immunology, metabolism & nutrition, microbiology, neuroscience, omics & systems biology, pharmaceutical sciences, reproduction & development	https://hstalks.com/biosci/
30	IEEE 	IEEE/IET Electronic Library Electrical Engineering, Telecommunications, Computer Science; Architecture, Imaging Science & Photographic Technology, Robotics, Biomedical Engineering, Computer Science Information Systems, Software Engineering, Remote Sensing and Artificial Intelligence.	https://ieeexplore.ieee.org/Xplore/home.jsp
31	Lexis Nexis Legal Library 	Lexis Library delivers thousands of trusted legal, tax and regulatory sources, such as: Butterworths, Halsbury's Laws, Tolley's, Harvey on Industrial Relations and Employment Law and Civil Court Practice. Plus, wide-ranging primary source materials including all England	https://www.lexisnexis.com/uk/legal/

		Law Reports, Encyclopaedia of Forms and Precedents, Atkins Court Forms among others.	
32	Lexis Nexis Academic 	Covers accounting, environmental studies, health & medical care, government & politics, people, consumer information	https://academic.lexisnexis.eu/
33	PROQUEST Academic complete & Library Thing Book cover widget 	ProQuest preserves rich, vast and varied information – whether historical archives or today’s scientific breakthroughs – and packages it with digital technologies that enhance its discovery, sharing and management. For academic, corporate, government, school and public libraries, as well as professional researchers, ProQuest provides services that enable strategic acquisition, management and discovery of information collections.	https://ebookcentral.proquest.com/lib/icipe-ebooks/home.action

OPEN ACCESS RESOURCES

34	Virtual University of Uganda Open Access Library 	Universal content	https://virtualuni.ac.ug/library/
----	---	-------------------	---

35		<p>Subjects covered: biological science, business and economics, development policy, engineering, medical and health science, physical science, social science</p>	<p>https://carijournals.org/</p>
36		<p>Is a community-curated online directory that indexes and provides access to high quality, open access, peer-reviewed journals. . Subjects covered: science, technology, medicine, social science and humanities</p>	<p>http://doaj.org/</p>
37		<p>ACS Publications stands alongside Chemical Abstracts Services in supporting the American Chemical Society's goal to be the most authoritative, comprehensive, and indispensable provider of chemistry-related information, in keeping with the ACS's Vision of Improving People's Lives Through the Transforming Power of Chemistry. Subjects covered: agricultural and food chemistry, natural products , environmental science etc.</p>	<p>http://pubs.acs.org/</p>

38	 <small>United States Environmental Protection Agency</small>	<p>The Environmental Impact Statement (EIS) Database provides information about EISs prepared by federal agencies, as well as EPA's comments concerning the EISs.</p>	https://www.epa.gov/
39		<p>Is a non-profit offering public access to titles in science and medicine. Since 2003 they have published a variety of journals, including <i>PLOS Biology</i> and <i>PLOS Medicine</i>, which rival existing elite titles such as <i>Science</i> and <i>Nature</i>.</p>	https://www.plos.org/
40		<p>Science.gov searches over 60 databases and over 2,200 scientific websites to provide users with access to more than 200 million pages of authoritative federal science information including research and development results.</p>	https://www.science.gov/
41	PubAg	<p>PubAg is a portal to USDA-authored and other highly relevant agricultural research. PubAg covers all of the core topics of the agricultural sciences including nutrition, food safety, food quality, animal and crop production and protection, natural resources, sustainable agricultural systems, rural</p>	https://pubag.nal.usda.gov/

		development, agricultural economic and policy issues, agricultural imports and exports, agricultural statistics, extramural research, and extension education. PubAg is part of the AGRICOLA family of products. PubAg contains full-text articles relevant to the agricultural sciences, along with citations to peer-reviewed journal articles.	
42	AGRICOLA(National Agricultural Library)	The AGRICOLA (Agricultural Online Access) database lists bibliographic records of materials acquired by the National Agricultural Library and cooperating institutions in agriculture and related sciences.	https://agricola.nal.usda.gov/
43	AGRIS (FAO)	Covers agriculture, forestry, animal husbandry, aquatic sciences and fisheries, human nutrition, extension literature from over 100 participating countries.	http://agris.fao.org/agris-search/index.do
44		PubMed comprises approximately 20 million citations for biomedical literature from MEDLINE,	https://www.ncbi.nlm.nih.gov/pubmed/

		<p>life science journals, and online books. PubMed citations and abstracts include the fields of medicine, nursing, dentistry, veterinary medicine, the health care system, and preclinical sciences. PubMed also provides access to additional relevant Web sites and links to the other NCBI molecular biology resources.</p>	
45		<p>Vadlo search engine caters to all branches of life sciences (Ecology, Oceanography, Geology, Meteorology, Zoology, Human biology, Botany). It allows users to search within five categories: Protocols, Online Tools, Seminars, Databases and Software. Protocols category will let you search for methods, techniques, assays, procedures, reagent recipes, plasmid maps, etc. Online Tools will cater calculators, servers, prediction tools, sequence alignment and manipulation tools, primer design etc. Seminars are essentially powerpoint files for presentations, lectures and talks. Databases will take you to, well, databases, resources, compilations, lists etc. It is here that you can also search for your favorite genes and proteins. Software category is for</p>	<p>http://vadlo.com/</p>

		bioinformatics experts who are looking for codes, scripts, algorithms, executables, downloadable programs and collaborations.	
46	 teeal A digital library for excellence in agricultural research and education	Is a digital collection of research journals for agriculture and related sciences.	http://teeal.org/
47	 agriculture	Is an international and cross-disciplinary scholarly and scientific open access journal on the science of cultivating the soil, growing, harvesting crops, and raising livestock.	http://www.mdpi.com/journal/agriculture
48	academicJournals	is a broad-based publisher of peer-reviewed open access journals. Academic Journals currently publishes 111 open access journals covering art and humanities, engineering, medical science, social sciences, biological sciences, physical sciences and agricultural sciences.	http://www.academicjournals.org/
49		Publishes a number of peer-reviewed, open access journals. These free-to-view online journals cover all major disciplines of science, medicine, technology and social sciences. BENTHAM Open provides researchers a platform to rapidly publish their research in a good-quality peer-reviewed journal. All peer-reviewed accepted submissions meeting high research and ethical	https://benthamopen.com/

		standards are published with free access to all.	
50		a global science gateway, providing one-stop searching of over 90 national and international scientific databases and portals from more than 70 countries. Users can search and translate 400 million pages of science and technology information	http://worldwidescience.org/
51		Palgrave Macmillan offers a combined portfolio of over 70 peer-reviewed E-Journals in the Humanities and Social Sciences	http://www.palgrave-journals.com
52		Subject strengths: Biomedical/Life Sciences , Physical Sciences, Social Sciences , Economics.	http://www.annualreviews.org/
53		Subject coverage: Anthropology, Business & Economics, Computers & IT, Education, Fine Arts, History, Language & Literature, Law, Life Sciences, Medicine, Physical Sciences, Psychology, Religion, Social Sciences and Technology.	http://proquest.libguides.com/ebrary
54		subject covered: physical sciences, engineering and technology, life sciences, health sciences, social sciences and humanities.	https://www.intechopen.com/

55	 www.cabi.org	<p>CAB Direct is the most thorough and extensive source of reference in the applied life sciences, incorporating the leading bibliographic databases CAB Abstracts and Global Health. It contains the following datasets:</p> <p>Crop Protection Compendium - http://www.cabi.org/cpc/ Animal Health and Production Compendium - http://www.cabi.org/ahpc/ Aquaculture Compendium - http://www.cabi.org/ac/ Forestry Compendium - http://www.cabi.org/fc/</p>	www.cabi.org
56	National Center for Biotechnology Information 	<p>NCBI bookshelf provides free online access to books and documents in Life Science and Healthcare.</p>	https://www.ncbi.nlm.nih.gov/books/
57	 Scientific Research <i>An Academic Publisher</i>	<p>Biomedical & Life Sciences, Business & Economics, Chemistry & Materials Science, Computer Science & Communications Earth & Environmental Sciences, Engineering, Medicine & Healthcare, Physics & Mathematics.</p>	http://www.scirp.org/journal/
58	<u>NATURE PUBLISHING</u> nature publishing group 	<p>Provides access to over 30 journals across the life, physical and applied sciences and, most recently, clinical medicine.</p>	https://www.nature.com
